

NATIONAL ACADEMY OF SCIENCES
NATIONAL RESEARCH COUNCIL
OF THE UNITED STATES OF AMERICA

SPACE SCIENCE BOARD

September 15, 1960

Memorandum to:

Dr. Harold C. Urey
Dr. Harrison S. Brown
Dr. Joelus Ladarberg

Enclosed for your information, and for your use only, is a copy of a letter which Dr. Porter sent to Academician A. A. Blagomayev suggesting discussions at the next COSPAR meeting (April 1961) on regulations governing the amount and kind of radioactive materials to be used in lunar or planetary probes.

Joel Orlen, Secretary
Committee on
International Relations
